Sponsorship Program

Do you own a garden-related business: a nursery, design firm, or garden supply store? Perhaps you are a publisher, landscaper or wholesale grower? Our business/professional sponsorships provide high recognition and valuable benefits you may share with your employees or give as gifts to your clients or customers.

The San Diego Horticultural Society, founded in 1994, has almost 1400 members who are enthusiastic gardeners and consumers of garden-related products and services. You can support the Society, which sponsors three annual college scholarships, makes cash awards to students participating in the Greater San Diego Science Fair, contributes to San Diego Botanical Garden (formerly Quail Gardens) and other garden groups, and offers a wide range of speakers at our monthly meetings. We are a 501(c)(3) non-profit organization.

As a sponsor, your company name will appear (1) in 12 issues of our monthly newsletter (which is directly distributed to almost 1400 people), (2) on prominent signage at 11 monthly meetings attended by an average of 350-400 people, and (3) on our website as described below. Upgrade your regular business membership (\$50) and get all the benefits of being a sponsor starting at just \$50 more a year.

To find out more contact Jim Bishop at 619.293.0166 or sponsor@sdhortsoc.org.
